ABOUT US

Vaider Group is dynamic and diversified organization that holds a prominent position in the glass industry. With a steadfast focus on quality and strong commitment to innovation and sustainability, the Group has firmly established itself as a trusted partner and the preferred resource for glass-related products and services.

Hrastnik1860, a member of Vaider Group is distinguished global business partner with strong tradition in developing and producing premium glass packaging. The company specializes in producing some of the most technically demanding bottles, using one of the clearest glasses in the world. Hrastnik1860 offers an extensive range of services as a full-service solution partner, starting from the initial idea and design, through development, to production and sustainable innovations.

SFS, member of Vaider Group located in Paraćin, Serbia, specializes in providing high-quality glass packaging solutions customized for the food and beverage industry. Their diverse portfolio includes the production of glass bottles and jars for wine, spirits, water, soft drinks, and the food sector. Experience the full range of SFS services, from concept creation and design to development and production.
